cooking

For school year 5's & 6's

Bourne Community News

Autumn Edition 2018

St Aldhelms Academy awarded Community Grant

Through our community chest grant, Bourne Big Local has awarded £1000 to St Aldhelms Academy scheme. The academy has created a garden and work area, with the majority of the funding being used to purchase landscaping materials, a water butt, gardening tools, large planters, compost, a table and chairs for a seating area. The students have built a potting bench from pallets and have already planted tomatoes, radish, spring onions and carrots. They also have built a bug hotel and organised a "growing competition" for Year 7's.

The community chest is open to all Bourne residents who would like to apply for funding up to £1000. The process is very simple so why not apply today by contacting Bourne Big Local.

FREE COMMUNITY EVENT

Bourne Community Group present...

Bourne Community Hub

From Aspen Road Looking Up Northmore Road

Q: Who is the Poole Communities Trust?

A: We are a local charity. We run the Branksome Centre in Recreation Road and various community development projects in Turlin Moor. We are working with the Bourne Community Group and Bourne Big Local on this project. We want to build and run a new Community Centre or Hub on the site of the Youth Centre.

Q: What did you do with the comments people gave at the exhibition of the designs for the new building?

A: Thank you to all the local residents who came to the exhibition and gave comments and suggestions.

Here are some of the comments:

"Wow! What a fantastic development for an area of such need. I believe the benefits for everyone are endless. I love the modern look and think it will appeal to younger people in particular. It's just what the community needs. Very exciting!"

"Good design. Good use of green space."

"Great building to lift the whole area and community spirit."

We were able to include all your comments in the planning application. We also had some specific ideas, which we were able to include in the design including:

"Lower fencing and shrubs around the café area so people can see in and it looks inviting."

"I think there needs to be netting of the MUGA to stop balls going into adjoining properties."

"A sprung floor and safety mirror in the main activity hall for the dance classes- it will help improve technique"

Q: What's happening about the planning application?

A: We submitted the planning application in July and at the time of writing this article (21 Sept) we are waiting for the Council's response. By early October we should know the result, so go to the Bourne Big Local facebook page for the most up to date news. (<https://www.facebook.com/bournebiglocal>)

Q: How much will the building cost to construct?

A: We have worked with our architects and quantity surveyors and estimate that it will cost £2.2 million pounds to build.

View From Arne Avenue

Q: When do you think the Community Centre or Hub will open?

A: This depends on us raising the £2.2million. We hope to do this by April 2019. Our architects would then have to finalise all the technical drawings required to construct the building. We would then need to get quotes for building the hub. Prior to demolition of the current youth centre, the pre-school and youth club would move into a temporary building on the Green on Arne Avenue. Building would start in the autumn and winter of 2019. Our architects estimate that it will take about a year to build.

Q: What things will I be able to do in the Hub /Community Centre?

A: There should be something for everyone, whatever your age or interests. There will be a new pre-school for up to 50 children with a safe garden. A new play park on the green opposite the youth Centre site. There will be new facilities for the youth club and a new MUGA. Plus a community café where you can meet friends or join a group such as arts and crafts. We will run various events in the activity hall such as keep fit, yoga, table tennis, dance and sports and exercise. There are also a number of other rooms in the building that other organisations will use to offer advice on money, education, jobs and training and health.

If you have got any questions or some ideas about activities or services you would like the hub to offer please contact Debbie Dixon on debbiedixon1@btinternet.com

Community Building Update

Q: How will the Poole Communities Trust pay for the construction of the building?

A: We will do this by applying for grants and fundraising. So far we are nearly half way towards our target.

Q: How can I get involved with local fund raising?

A: On **Saturday November 10th** the Bonkers Dance group will be holding a Dance- a- thon at the youth Centre. If you want to join in or sponsor someone come along.

Dates for your Diary

Please Come Along

2018
